## Nightmare on Oak Avenue Haunted House

**October 24th to October 31, 2013**  
**From Dark to 10:00pm Weeknight and 11:00pm Weekends**  
**77 Oak Avenue, River Drive Park, Ontario L9N 1A3**

Come join the fun at the **"Nightmare on Oak Avenue"** Haunted House in support of Give A Miracle A Chance (G.A.M.E.). This year's focus and proceeds will be going to **"Give A Miracle A Chance" charitable organization supporting Special Needs children.**

Come join in on the Halloween Spirit that promises 8 great nights full of fun and thrills with new attractions being added this year. There will also be a "Kids Friendly Zone" featured. So dig out and dust off your scariest costume, bring the whole family and friends together and get your smiles ready. All ages are welcome with Free Admission. All donations are greatly accepted and appreciated in support of the Special Needs Kids. Each night has something for both the young and old, thrill seekers and those inquisitive minds!

The host of the event is the Sutherland family who had held this tradition for 13 years, their hard work; commitment and success have seen an amazing response and growth from supporters over the years. The last few years the Sutherlands have been fortunate to pay forward making a lasting difference that has spread out in support of children with life-time challenges within the community. All net proceeds raised will offer financial assistance for therapies the children need to work towards a viable future. It also allows G.A.M.E. to continue to deliver a much needed therapy centre to our community with increased services close to home for our kids that will result in not having to take them far from their backyards.

Don't delay if you are interested in **Sponsoring or Donating** to this year's event and in the cost and benefits of profiling your company.
